

FEMME DE CUPCAKES

FALL 2017

*Pearls AND Bows*

A MODERN FAIRY TALE

## FEMME DE CUPCAKES

### *Pearls AND Bows*

*The* Fall/Winter collection immerses our Femme de Cupcakes heroine in the beautiful world of fantasy and surrealistic theater. Join us on a magical trip through a modern fairytale.

Inspired by stories of lost sunken treasure and climbing vines to mythical worlds, the collection is detailed with ribbons, pearls and woven laces. This season's color palette celebrates bold colors; such as phthalo blue and crimson red with pops of pastel and metallic. These colors are redolent of the light and dark alchemy intrinsic to folktale story telling. Please explore, and discover this year's pearl encrusted bags and wallets, painted in hues of purple dusk and cobalt dawn's enchanted shadows, in crimson red sunsets, over glimmering golden and silver, treasure laden waters.

This collection promises to transport you to a world of delightful enchantment and magic.
